RESOLUTION
BOARD OF VISITORS
VIRGINIA COMMONWEALTH UNIVERSITY

REQUEST FOR LEGISLATION

Whereas, the Commonwealth of Virginia has enacted Chapter 6.2 of Title 23 of the Code of Virginia, known as the Virginia Commonwealth University Health System Authority Act (the “Act”), to create as a public body corporate and as a political subdivision, the Virginia Commonwealth University Health System Authority (the “Authority); and

Whereas, the Authority was created, inter alia, for the purpose of providing for the health, welfare, convenience, knowledge and benefit for the citizens of the Commonwealth; and

Whereas, the Authority has served the citizens well since its inception; and

Whereas, while the Act created a separate legal entity to operate the hospital facilities transferred to it by Virginia Commonwealth University (“University”), a fundamental principle was to protect the teaching, research and academic missions of the Schools of the Health Sciences Division of the University; therefore, to support the close relationship between the University and the Authority, the Act contains certain provisions of overlap in board governance that would benefit from clarification in terms of the process by which the vice president for health sciences of the University and the chief executive officer of the Authority is appointed; and,

Whereas, additional opportunities exist to further strengthen the governance structure of the Authority to make clear that the University President serves as the chairman of the Authority board and clarify the process and coordination efforts related to the appointment and removal processes for certain key management positions.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF VISITORS OF VIRGINIA COMMONWEALTH UNIVERSITY:

That the Board of Visitors hereby resolves to pursue legislation in conjunction with VCUHS Board of Directors as outlined below:

Section 1: Proposed VCUHS Legislation (revised and approved by the VCUHS Board of Directors on 02/12/13)

Section 23-50.16:5 Board of Directors; appointment; officers; employees

* * *

D. The President of the University shall serve as chairman of the Board of Directors. The Board of Directors of the Authority shall elect annually a vice chairman from among its membership. The Board shall also elect a secretary and a treasurer and such assistant secretaries and assistant treasurers as the Board may authorize for terms determined by the Board, each of whom may or may not be a member of the Board. The same person may serve as both secretary and treasurer. The Board may also appoint an executive committee and other standing or special committees and prescribe their duties and powers, and any executive committee may exercise all such powers and duties of the Board under the chapter as the Board may delegate.

Section 23-50.16:7 Appointment, salary and powers of the Chief Executive Officer
A. The Authority shall be under the immediate supervision and direction of a Chief Executive Officer, subject to the policies and direction established by the Board. The Chief Executive Officer shall be the person who holds the title of Vice-President for Health Sciences of Virginia Commonwealth University, or such other title as subsequently may be established by the Board of Visitors of the University for the chief academic and administrative officer for the Health Sciences Campus of the University, subject to the following: notwithstanding any other provision of law to the contrary, the selection and removal of the Chief Executive Officer, as well as the conditions of appointment, including salary, shall be made jointly by the Board and the Board of Visitors of the University at a joint meeting of the Board and the Board of Visitors of the University upon a vote of a majority of the members of each board, present and voting at the aforementioned joint meeting, acting separately in accordance with applicable provisions of law.

B. In the event that a majority of the members of each board do not agree upon the removal, selection, or conditions of appointment, including salary, of the Chief Executive Officer as set forth in Paragraph A of this section, then each board shall appoint a committee of three members of its respective board to consider the matter or matters upon which the boards disagree. The selection, removal or conditions of appointment shall be made jointly by the two committees at a joint meeting of the committees upon a vote by a majority of the members of each committee, present and voting at the joint meeting. In the event that a majority of the members of each committee agree upon the removal, selection or conditions of appointment of the Chief Executive Officer, then the decision shall be reported to the Board and the Board of Visitors of the University, each of which shall be bound by the decision of the committees. In the event that a majority of the members of each committee do not agree on the removal, selection or conditions of appointment of the Chief Executive Officer within thirty days of the appointment of the committees by each board, then the President of the University shall decide upon the matter or matters upon which the committees disagreed. The President of the University shall report his decision to both boards, each of which shall be bound by the decision of the President.

C. The Chief Executive Officer shall devote his full time to the performance of his official duties and shall not be engaged in any other profession or occupation.

D. The Chief Executive Officer shall supervise and administer the operation of the Authority in accordance with the provisions of this chapter.

Section 2: Resolution to become effective immediately upon adoption.

Note: The VCUHS Board approved the language of the legislation with the caveat that Ms. Katherine Busser and Mr. Mark Rubin would discuss with the legislative members of the VCUHS Board whether or not it is prudent to submit the legislation to this session of the General Assembly. Three members of the General Assembly sit on the VCUHS Board, and none were able to attend either the meeting of the governance committee or the full board meeting which followed on February 12, 2013. The VCUHS Board will follow the guidance of its legislative members with respect to the issue of the timing of submission of the draft legislation to the General Assembly.

On motion made and seconded, the Consent and Priority Agenda Actions were approved. The following priority agenda items were presented for information:
