The purpose of the plan is to achieve total faculty compensation that is competitive within pharmacy education for level of training, experience, specialization and performance. On motion made and seconded, the Academic and Health Affairs Policy Committee recommended to the full Board the approval of the School of Pharmacy’s Variable Salary Plan for Teaching and Research Faculty.

The following items were presented for information:

- Faculty and staff excellence
  - Faculty Representative Report

negotiating or litigating posture of VCU, as may be necessary, as authorized by Section 2.2-3711 A(1) and A(7) of the Virginia Freedom of Information Act.

Following closed session, on motion made and seconded, the following resolution was approved by roll call vote:
