The 2012 Six Year Plan was presented the plan's academic strategies align with the university's strategic plan, Quest for Distinction and the State's TJ21 legislation — there is no change from the 2011 academic strategies. The revised six-year plan assumes, for planning purposes, a 5.5 percent tuition increase for in-state undergraduates, rather than the 12.1 percent rate approved in the plan last September. The cost increase for an in-state student for mandatory E&G fees would be $436. The revision would have the largest impact on faculty hiring, which is the university's top priority. The university has requested funding lost through the reduction in the tuition component in a budget amendment to the state. The plan is due for submission to the state on Oct. 1, 2012. On motion made and seconded, the 2012 Six-Year Plan was approved.

The 2012-2013 Board of Visitors schedule was presented. On motion made and seconded, the Board approved the 2012-2013 BOV schedule.

An IT update and the VCU budget request(s) to the State Department of Planning and Budget were presented for information.

On motion made and seconded, the Board convened into closed session to discuss certain personnel matters and matters relating to the appointment, promotion, performance and salaries of identifiable employees and faculty of VCU, including the Faculty Appointments and Changes in Status and other Personnel Actions, a report of the Presidential Evaluation and Compensation Committee and to discuss the evaluation of the performance of departments or schools of VCU where such evaluations necessarily involve discussion of the performance of specific individuals including Audit Reports of individually identified departments and/or schools; and to consult with legal counsel and receive briefings from staff members regarding certain legal matters and actual or probable litigation where such consultation or briefings in open session would adversely affect the negotiating or litigating position of VCU; to discuss the acquisition or use of real property for public purpose, or of the disposition of publicly held real property, where discussion in an open
session would adversely affect the bargaining position or negotiating strategy of VCU, including the acquisition of property on or adjacent to the Monroe Park Campus; and to discuss matters relating to gifts, bequests, and fund-raising activities, including consideration of the Named Funds Report and an update on the development activities; and to discuss matters relating to honorary degrees and special awards, as authorized by Section 2.2-3711 A(1), A(3), A(7), A(8) and A(10) of the Virginia Freedom of Information Act.

Following closed session, on motion made and seconded, the following resolution was approved by roll call vote: Virginia Commonwealth University hereby certifies that, to the best of each member’s knowledge, (i) only public business matters lawfully exempted from open meeting requirements by Virginia law were discussed in the closed session meeting to which this certification resolution applies, and (ii) only such public business matters as were identified in the motion convening the closed session meeting were heard, discussed or considered by the Board of Visitors of Virginia Commonwealth University.
