Meeting of the Board of Visitors of Virginia Commonwealth University
Minutes

A regular meeting of the Board of Visitors of Virginia Commonwealth University was held on Thursday, November 11, 2010, at 9:15 a.m. in the Richmond Salons located in the University Student Commons at 907 Floyd Avenue.

Present were Mesdames Rhodes (Rector) and Lambert; Messrs. Ginther, Jackson, Jones, McCandlish, Robertson, Siegel and Snead; and Drs. Broaddus, Dave, Doswell, Perkinson and Shapiro. Mr. McMurtrie and Mrs. James were absent. Also present were Drs. Rao, Huff, Klink, Macrina, Moriarty, Retchin, Rhone, Rodriguez and Warren; Messrs. Bennett, Brown, Bunce, Gehring, Jez, Ohlinger, Ream, Ross, Rubin, Turnage, and Wyeth; and Mesdames Balmer, Currey, Lepley and Parmley. Mr. Kapoor, alternative representative to the Board; Dr. McCreary, faculty representative to the Board; and Mrs. Collier, staff representative to the Board, were also present.

The meeting was called to order and members of the press were welcomed. The Report of the President followed. The following individuals were introduced to the Board: Dr. Albert Farrell, Ms. Deborah Weir, Ms. Michelle Wang, Mr. Thomas Reich and Dr. Regina Oyesanya. An update on the University Budget was presented for information. The Governor requested spending reduction plans from all state agencies and institutions at 2%, 4% and 6% of general funds for the year 2012. The request is due to the Governor on November 5. Higher education, along with economic development and transportation, however, is a stated gubernatorial priority, and so it is hoped that higher education will not be facing further reductions. VCU submitted an overall reduction plan based on previous reduction plans that demonstrates that essential services, such as hiring of tenure track faculty, the purchase of instructional, administrative and research equipment, and the provision of need-based financial aid, would be negatively impacted by any further budget reductions by the state. Other topics presented were Economic Development; VCU Top Producer of U.S. Fulbright Scholars; Sustainability Leader; Service Excellence and Recalibration.

The Massey – Vision 2016 was presented. On motion made and seconded, the Board approved the below Resolution:

WHEREAS, the main mission of Vision 2016, the new strategic plan for the Massey Cancer Center, is to save more lives and bring Virginia its first NCI-designated Comprehensive Center.
RESOLVED, that the VCU Board of Visitors endorses Vision 2016 to create a truly integrated clinical and research enterprise, offering patients the best possible multidisciplinary care, informed by cutting-edge, innovative research and delivered in state-of-the-art, patient centered facilities.

Mr. Maurice Jones reported for the Academic and Health Affairs Policy Committee. A Proposal to Rename the Program in Patient Counseling to the Department of Patient Counseling was presented. The Proposal is an academic unit name change. The purpose for the proposed change is two-fold: 1) to more accurately reflect the scope and function of patient counseling as an academic unit with the School; and 2) to provide greater consistency in the description of the academic units with the School. The Academic and Health Affairs Policy Committee recommended to the full Board the proposal to Rename the Program in Patient Counseling to the Department of Patient Counseling.

A Proposal to Rename the Department of Women’s Studies to the Department of Gender, Sexuality and Women’s Studies; and Bachelor of Arts (BA) degree in Women’s Studies to the Bachelor of Arts (BA) degree in Gender, Sexuality and Women’s Studies was presented. The requested change reflects the national rise of gender and sexuality studies as a respected core field within the social sciences and humanities. The name also represents a shift toward greater inclusiveness in which the study of feminism, gender, and sexuality by men, as well as women, is encouraged, and a broad approach to gender is taken in which male and transgendered identities are explored in addition to female identities. The Academic and Health Affairs Policy Committee recommended to the full Board the approval of a Proposal to Rename the Department of Women’s Studies to the Department of Gender, Sexuality and Women’s Studies; and Bachelor of Arts (BA) degree in Women’s Studies to the Bachelor of Arts (BA) degree in Gender, Sexuality and Women’s Studies.

A Proposal to Create a Post-baccalaureate Certificate in Gender, Sexuality and Women’s Studies – Initiation Date: Spring 2011 was presented. In 2009, a committee was convened by the Dean of the College of Humanities and Sciences to review and make recommendations for Women’s Studies. One of the recommendations made in the committee’s final report was a graduate program. The Department faculty have proposed the post-baccalaureate certificate as a first step in achieving the graduate program goal. The department does not have any graduate programs at this time. The Academic and Health Affairs Policy Committee recommended to the full Board the approval of a Proposal to Create a Post-baccalaureate Certificate in Gender, Sexuality and Women’s Studies – Initiation Date: Spring 2011.

Goal Five has been reviewed by both Student Government Associations and the Graduate Student Association as well as Queer Action at VCU; Goal Six, by the Council on Community Engagement. Both goals have been reviewed by Faculty and Staff Senates and will be reviewed by the Academic Affairs subcommittee of University Council and the full body of University Council.
